## Governor's Message

District A-16

District Governor  
Lion Tim Cheung  
tcheung@lionsa16.com

Happy New Year! With the arrival of 2018, Lion Patty and I want to take this opportunity to wish you a happy, healthy, and prosperous year.

At the November MDA Council Meeting, our District was recognized by LCI with a banner patch for the good works of all of you. 75% of our Clubs performed service activities related to the 4 areas of the Centennial Service Challenge (CSC) covering Vision, Hunger, Youth, and Environment last year and were recognized by LCI with Centennial Service Challenge banner patches.

The Centennial Service Challenge runs till end of June 2018. I would challenge you all to perform at least one in this Lions year, report it to LCI, and help A-16 to achieve 100% club participation for 2017-2018.

This month, Lions Clubs International Foundation (LCIF) celebrates its 50th anniversary and the completion of its commitment to Gavi, the Vaccine Alliance. Through the generosity of Lions, LCIF has donated US\$30 million to fight the spread of measles around the world. Matching funds from the Bill & Melinda Gates foundation

and the UK Department for International Development doubled the impact of that investment. Millions of children around the world will benefit, and that's truly something to celebrate. Please visit <http://www.lcif50.org> to learn how LCIF supports your service.

We have expanded our District Global Leadership Team (GLT). As another new initiative in A-16, our District GLT Coordinator PDG Susan Tate has invited all the graduates of the Faculty Development Institute (FDI) from our District to join her as committee members of GLT. They have been busy working on details of the leadership training programs coming up. Two courses will be delivered end of January. If you are interested in any of them, contact PDG Susan.

Membership continues to be a challenge to our District. By December, we have invited 52 new Lions to join us to expand our service impact; but we dropped 93 Lions from our roster. We need to invite more service-minded people to join us. We need to engage our Lions with meaningful and relevant services for positive experience to keep them serving.

As we stepped into the 2nd half of this Lions year, I need your support to focus on your club service activities, particularly in support to the 5 focus areas from LCI, namely, Vision, Hunger, Environment, Diabetes, and Paediatric Cancer. Let us invite more new members into our clubs to increase our impact to our communities.

Remember: we can always "Reach a Little Higher"!

DG Tim

## Thank you for the long service!

Anniversaries are a reminder of the milestones in our lives. They give us the opportunity to celebrate, commemorate and reflect. They demonstrate the passage of time, and our commitment to someone or something – whether it is a loved one, job or membership in an organization.

Lions Clubs International recognizes the anniversaries of our members with Chevron Awards starting at 10 years of service, and multiples of 5 years beyond. It is a special way to thank Lions for their years of service and encourage them to continue making a difference in their local communities and worldwide.

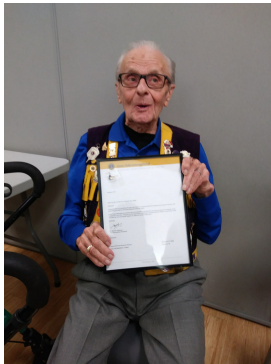

Please join me in congratulating the following Lions in our District who have been presented their Chevron Awards of 40 years and over so far (below from left going clockwise):

**60 years** Lions Chevron Award - Lion **Charlie Williams (1)** of Newmarket; **55 years** - Lion **Tom Goldring (2)** of Markham; **50 years** - PDG **Fred Sheehy (3)** of Markham; **45 years** - Lion **Warren Pettifer (4)** of Pefferlaw, PCC **Dale St. John (5)** of Sunderland; **40 years** - Lions **Lorne Brown (6)** and **Wayne Diceman (6)** of Sunderland, Lions **Fred Beaton (7)** of King City, Lions **Lyle Hargrove (8)** of North Oshawa and **Leonard Crocker (8)** of Ajax; and Lion **Ed Johnston (9)** of Omeme.

Thank you!

DG Tim

## Lions Quest

*“Our mission is to provide leadership, knowledge and resources to develop capable young Canadians of positive character.”*

Lions Quest came about back in 1975, when a teenager, Rick Little, realized that he wasn't prepared for what life was throwing at him. Most of us in his position would likely have experienced a period of self-pity, blamed the world, and then filed it away as yet another example of how unfair life can be. Rick, however, used his experience as motivation to create a program, Skills for Learning, which would help young people develop the skills and strength of character enabling them to become successful throughout their lives. He went on to found an organization, Quest, to promote this program in schools.

In 1984 Lions Clubs International Foundation provided a grant to Quest that funded the extension of the program to include elementary students in Grades 6 – 8 and the Lions Quest connection was born. Soon after a Grades K – 5 program, Skills for Growing, was added. In 2002, LCIF took over ownership of the program and have since invested more than \$20 million dollars in Lions Quest programs across the United States, Canada and around the world. Since that time, the program has grown to include 40 languages in over 90 countries across the globe.

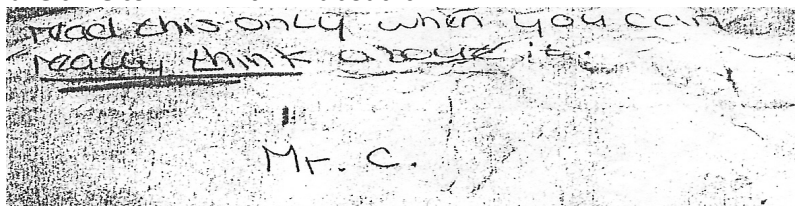

Lions across our country have supported our own Lions Quest Canada, The Centre for Positive Youth Development, over the past 25+ years to reach out to over 50,000 educators with information and training. A record of support of which we should be proud.

But there is still more we need to do. Let me tell you a story.

'S' was an average Grade 7 student, she did ok in school and seemed to have friends in her class. To look at her you wouldn't see anything out of the ordinary. One afternoon her teacher found a sealed envelope on his desk. On the outside of the envelope was written:

***“read this only when you have time to REALLY think about it”.***

Inside was a note that said.

***"Hi! I have to ask you something. How can you tell someone that they drink too much? My dad came home last night drunk out of his mind. He had been drinking and drove home. I had supper at 9:00 and when my dad came in he was crying and saying to my brother "I'm sorry son, I'm sorry".***

***He also couldn't walk straight.***

***Mr. C I love my dad very much, but I could kill him for the way he was last night.***

***I don't know if I can take any more of it.***

***What should I do?"***

Unfortunately, there are a lot of students, like this young lady, who are overwhelmed by what's happening in their lives. Some of them are able to speak up, and ask for help, some are not. One of the things that all of them need is to be surrounded by a caring community that will love and support them. Another thing is the opportunity to develop the resiliency and skills that will help them when faced with the challenges life throws in their path. This is where **Lions Quest** can help by providing educators with a world class program to help students develop these 'life skills'.

But, unless we as Lions do our part to promote these programs, our **LIONS Quest Programs**, our teachers won't even know they exist. And unless we support and fund the training and materials for the program students will not have the opportunity to benefit from them.

Is Lions Quest the silver bullet that will solve all the problems associated with youth? No, but it will make a difference, a positive difference in the lives of many young people.

How can you and your club help? Make a donation to Lions Quest. Sponsor an information session, or better yet a teacher training session. It all starts with an email or call to your District Lions Quest Chairperson; Lion Colleen Mewha. Her contact information is in the Directory, look her up and give her a call/email, she'll be glad to help.

Oh, by the way, in case you were wondering. The young lady, in the story, and her dad, did get the help and support they needed. As for the teacher, well, he became a great believer in the Lions Quest Program.

Committee Chairperson: Colleen Mewha

## Reading Action

Here is a list of possible projects from which your club can choose. These are from Lions Clubs International website.

- Organize a virtual book drive to support a reading program in your community
- Read to children at a local library or after school program
- Host a book fair and invite an author or illustrator
- Hold a monthly reading challenge for children at your library (encouraging them to read a designated number of minutes every month to win a prize)
- Work with a deaf education teacher to organize a book reading group for children or adults who are deaf
- Volunteer at an after school program to tutor a child in reading
- Donate computers or other technology for learning to a local school, community center or library
- Work with your local school or library to increase access to information in braille • Supply new parents with books for young children and include facts about the importance of early reading
- Collect new books for a children's hospital
- Sponsor a community spelling contest.
- Purchase a children's magazine subscription for a local school or library
- Distribute large print and audio books to local senior centers
- Provide free books for children at a vision or hearing screening or other service activity for children
- Provide assistive devices to children or adults who have low vision
- Sponsor a creative writing workshop and encourage the children to write a story about their favorite toy, food or an action hero and then have them read it
- Read a book aloud to a small group of children and encourage each child to paint a picture of the story
- Serve as a volunteer reader at a senior center
- Host a board game evening for adults
- Organize a book exchange
- Teach an internet class at a local library - show others how to use the internet for greater access to information
- Organize a community event in connection with the International Literacy Day, held during the month of September, to raise awareness about the importance of reading
- Work with a local school to provide backpacks filled with books and school supplies to children in need
- Host a computer literacy course for adults

Also during the last year, I have been promoting a "Little Free Library". It is a small box for a neighbourhood library. In it would be books for both children and adults. The idea is "Take a book, Leave a book". One does not need a library card. You could work in conjunction with your local library as they constantly update their collection. You could gather books from members and friends. If you google "Kalamazoo Little Free Library" you will find plans to build one. Possibly someone in your club is a handyman or you know someone who is. Paint it in your Club colours, put the Lions logo on it.

There are many suggestions here. Pick one or more than one. Whatever you decide to do please let me know what that is. My email address is [agnesb@xplornet.com](mailto:agnesb@xplornet.com) . Thank you for your interest in this programme. Good Luck.

## Angus Glen Lions

### Boston Pizza Celebrity Server Night

What better way to celebrate our very FIRST Anniversary with the very FIRST Fund Raising event of the Club! It’s the Angus Glen Lions Club - Boston Pizza Celebrity Server Night on November 22, 2017. This event involved Angus Glen Lions Club (AGLC) members volunteering as servers for the evening, and Boston Pizza donating part of the food sales to the Club.

Families, friends and supporters all came out for some good fun and delicious food, all for the good cause of the community. AGLC members – in our FIRST Club Uniform, helped serve, entertained, and even worked in the back room. Adding to the excitement, our very own Lion Charles celebrated his birthday at the Event with literally everybody in the restaurant! We had some 200 guests for this evening – an instant success it was!

Thanks to our Fund Raising Team and Project Lead Lion Gloria for all your hard work, and to all AGLC members for all your support, and ... To this Evening of FIRSTS

## Blackstock Lions

The Blackstock Lions Club presented a cheque for \$1,000 to Operation Scugog food bank on December 11th.

As reported in "The Standard" by Dan Cearns and Sam Odrowski

Here is the presentation of the 150 Award to the President of our Blackstock & District Lions Club, John Ashmore, in recognition of our Lions service to the community.

This was presented by MP Erin O'Toole, in his Constituency Office in Bowmanville, during his Open House, just before Christmas.

## BOBCAYGEON LIONS LAUNCH EMERGENCY DELIVERY SERVICE FOR FOOD BANK CLIENTS

Spurred on by the desire to have a project set up for the LCI Service Action Week, Bobcaygeon Lions worked with the Bobcaygeon Helps Food Bank to develop an Emergency Delivery Service (EDS) for the Food Bank’s Clients. As the Food Bank only serves families in the Bobcaygeon area, this alliance fitted perfectly with our need to do something that specifically benefitted our local community.

**EMERGENCY  
DELIVERY  
SERVICE**

BOBCAYGEON HELPS  
FOOD BANK

If you are not able to come to the Food Bank due to personal...

- INJURY • ILLNESS • MOBILITY PROBLEMS
- EXTREME WEATHER CONDITIONS...

You can call the phone number on the back, to arrange for delivery of your Food Bank supplies.

Food Bank Volunteers hand out information cards to Clients when they come in for their supplies.

Lions set up a dedicated cellphone number that Food Bank Clients can call between 10:00 am and 4:00 pm the day before their designated Food Bank visit day. (Registered Food Bank Clients can visit the Food Bank for supplies a maximum of once every 21 days. The Food Bank is open on Tuesdays and Fridays, every week.)

When they call in, Clients provide specific information that allows the Lions EDS Team to go to the Food Bank on their behalf the following day, and pick up the items requested. The Team then delivers the items – usually 4 to 7 shopping bags of supplies – to the Client.

The EDS is only available to Clients who are unable to get to the Food Bank due to illness, an accident, mobility challenges or extreme weather conditions. (Luckily, a couple of the Lions EDS Teams have Jeep Wranglers that can cope with most weather situations!)

Each EDS Team consists of two Lions. One has the kit (shown on the right) that contains:

- Instructions
- Client Order Forms
- Magnetic Lions Signs for the front doors of the delivery vehicle
- Dedicated cellphone and charger
- Pen

Bobcaygeon Lions will run this service for a few months, to see how it fits in with Food Bank Clients’ needs, etc. The hope is that it will help a lot of people who run into problems with getting to the Food Bank on their appointed day.

## Claremont Lions

Our club acted on a suggestion from Glenda Carruthers about getting banners put up along some of our streets to show some town history of our community and decorate the streets up a little. We got a grant from the City of Pickering to purchase the banners and got them installed. Members are L-R Laura Ferreira, Glenda Carruthers, Sharon Robbins, Jim Sowerby, Barb Gilbert / Sowerby and Pete Carruthers

## Lindsay Lions

From empty trailer to meals for 150 families. The Lindsay Lions partnered with LaMantias Country Market to provide Christmas dinner to families in our community. Chicken, potatoes, onions, carrots, stuffing and cranberries all packed into two vehicles and delivered to Salvation Army for distribution.

Thanks to Dave (LaMantias) and Lion Ed for getting it all organized. Thank you to the Lions who helped load and unload. Special thanks to Lion Mona Lisa who brought the OPP Special Constables to make the task an easier one.

It is our pleasure to serve our community!

## Markham Lions

Tom Goldring has been a lion since 1963 and has served on many committees during his tenure with the Markham Lions. He is a Past Deputy District Governor and life member with Markham Lions. He assisted with the construction of the facilities at Camp Kirk in 1990 and continues to actively serve on that board. He is the father of 3 daughters and 7 grandchildren and the husband of 62 years of the late Norma Goldring.

At the Markham Lions Club 74th Charter Night, Lion Tom was presented with the Monarch Chevron Award for 55 years of service and we were all so proud to celebrate his achievements. A-16 District Governor Tim Cheung was on hand to make the presentation.

Congratulations Lion Tom Goldring.

Lion Fred Sheehy joined the Markham Lions in 1968 and has demonstrated strong leadership skills, guiding us through 50 years of service. He is Past District Governor (1997-1998) and a life member of the Markham Lions. Lion Fred has served on many committees and continues to promote Membership and Leadership within the Lions organization. He is married to Lorna Sheehy and is the father of two daughters.

In recognition of his outstanding contribution and service to Lionism, on Saturday November 4th, our 74th Charter Night, Lion Fred was awarded the Monarch Chevron Award for his 50 years of service. On hand to make this presentation was A-16 District Governor, Tim Cheung.

Congratulations Lion Fred Sheehy we are so proud of your accomplishments.

## Newmarket Lions

On November 11, 2017, Lion Charles Williams of the Newmarket Lions Club was honoured for his 60 years of service to the Newmarket Lions Club. A presentation was made by District Governor Tim Chung during an A-16 Cabinet Meeting.

Lion Charles was sponsored by his Father in Law who himself was a long time member of the Club. Lion Charles is a Past President and was Chairman of the Easter Seals Committee for many years.

When asked why he continued with the Club for so many years he said, "because when you help someone else, you also help yourself. And I believe that."

### **LUNCH WITH SANTA SUNDAY DEC. 17/17 COMMUNITY CENTRE AND LIONS HALL**

For the past 75 plus years, the Newmarket Lions Club has held its Santa Fund for the least fortunate in Newmarket. The number of recipients has soared from a handful to 1200. This year, the 1000 worthy applicants including 504 children were invited to have Lunch With Santa at the Newmarket Lions Hall on Sunday Dec. 17. There, families would receive their Freshco food vouchers and have a warm lunch.

Children were invited to meet Santa, have their picture taken with the "Big Boy", Lion Jim Hutchinson of Oshawa West and then receive a loot bag. As well, children were invited to get their face painted, decorate cookies, and do crafts while munching on hot dogs, French Fries, apple crisp, and drinking orange juice.

Virtually, our whole club turned out to serve the 421 attendees including 275 children. Families were in the Christmas spirit, sharing good moments, tales of satisfied children, and marvelled at the no cost for the experience.

The next two days we spent handing out the remainder of our vouchers to those who didn't attend and food hampers to those who did and came a second day. Everyone agreed that the experience was the highlight of the Christmas season and the good will it brought to our community club, beyond our wildest dreams.

A huge thank you to the whole Newmarket Lions Club Team! All the best in 2018.

## North Newmarket Lions

On Thursday October 19, 2017, the North Newmarket Lions Club was awarded the Best Non-Profit, at the Newmarket Chamber of Commerce's Annual Business Excellence Awards. The three finalists for this award were Inn from the Cold, The Newmarket Food Pantry, and the North Newmarket Lions.

Lion President Kevin Pye-Finch accepted the Award of behalf of the North Newmarket Lions Club.

## Omemees Lions

### SERVING IN ANTIGUA/BARBUDA

Barbuda, a tiny, relatively undeveloped, 62-square mile Eastern Caribbean island with a population of about 1,800, was unknown to most people prior to a Sept. 6 hurricane that decimated 95% of it, leaving people no option but evacuation to the larger sister island, Antigua, 30 miles away.

Also, very much damaged by Hurricane Maria was Cayo Coco in Cuba, the holiday destination of three Lions club members who were planning a week-long girls getaway. Since it was doubtful the Cuban resort and nearby airport would be functioning by their departure date, the Omemees Lions decided to look elsewhere for their pre-winter fun in the sun.

They discovered Antigua had a Lions Club based in the capital city of St. John's, contacted the club president and asked whether there was anything the Omemees Lions could do to help the Barbudians in their time of crisis. Several email conversations with the Antigua Lions later, and in conjunction with the Antigua board of education, the Omemees trio worked some deals with school supply distributors, shopped all over and collected 150 lbs. of items for the 100 Barbudian preschoolers who were homeless and without the barest of essential educational tools. Over a three-month period, the supplies were collected, bags were packed, and arrangements made with an airline to transport the humanitarian relief free of charge. Financial donations came from the Omemees Lions, the Omemees Lioness, the local community newsletter and private individuals, including the three Lions who made the trip at their own expense.

On Nov. 26, Lions Veronica Wickens, Shannon Brohm and Fiona Skurjat boarded a WestJet flight carrying three 50-lb bags of pencils, rulers, erasers, markers, paper, books, educational toys, puzzles, paint, brushes, teaching aids and more. They were welcomed at the Antigua club's social meeting the following Tuesday, where the bags were gladly received, and the contents relocated to be distributed later in the month.

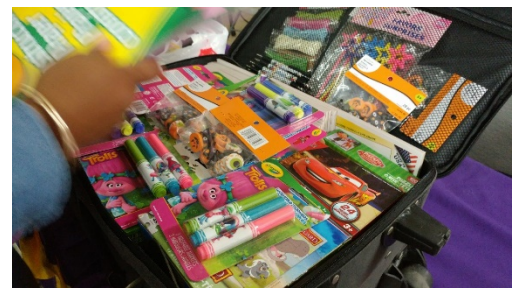

The meeting was a lively affair, headed by president Samantha Malone. Among the score of Antigua Lions there were, Secretary Roslyn Zachariah MJF, Tail Twister Jacintha Pringle, Past-President Collins Anthony MJF, and First Vice District Governor Leslie Ephraim MJF. The meeting continued with Lion Veronica presenting the Antigua Lions with Omemees Lions 60th anniversary pins and in return, the host Lions gave each visiting Lion a large bottle of Antiguan rum. Lunch was served and Lions from north and south discussed many things, including the opportunity of twinning.

The Antigua club is extremely active and hard-working, with many projects on the go. Besides its current plan to help rebuild a school in Barbuda and preparing its annual Christmas bazaar, the club hosts events like Zumbathon & Socarobix in recognition of World Health Day, with this year's theme: "Depression - Let's Talk", and registration funds going to the Lions annual prostate cancer screening clinic.

The club's mission: "Aiming to touch lives through our service" is evident in all they do.

Some Barbudians are making new lives in Antigua; others are still being housed with their families in rooms at the Sir Vivian Richards Cricket Stadium near St. John's. Supreme efforts are being made to bring back an island that hasn't been uninhabited for 300 years. The deserted forts, neolithic caves, magnificent lagoon and spectacular sandy beaches are still there amongst the small trees and the brush. Although it may take years for life to get back to what it was before September 7, soon the pretty, yellow bananaquits will fly home to Barbuda and the children will return to their new homes and school on their island.
