

PROTOCOL GUIDE FOR DISTRICT A-16 LIONS

PREAMBLE

Protocol in Lionism describes the customs and established rules of socially acceptable behaviour, proper etiquette, courteous and respectful manners and how we dress at our various meetings and in public. Wherever the term Lion appears in this document, it shall be interpreted to mean all members of the Lions Family.

As representatives of Lions Clubs International it is important Lions members always act as upstanding members of the community and dress appropriately for the occasion. In summary, Protocol determines what we say, how we act, what we wear, the proper way things are done and showing respect to our fellow Lions and guests. You will find that following established Protocol at Lions Meetings will make them an enjoyable experience for everyone.

COVID-19 PROTOCOLS

Past International President Choi, from the beginning of the global pandemic, has encouraged us to serve our communities and to do it safely. The underlying message to us, as Lions, is to make sure that the safety of our fellow Lions and Leos is of paramount importance in all that we do.

Part of your protocol is to be fully aware of the regulations established by your local Health Unit and to adhere to those regulations faithfully. Pay special attention to:

- **Regulations regarding Masks/Face Shields (to protect yourself and others)**
- **Regulations regarding Meeting Room Capacity (to ensure Social Distancing)**
- **Regulations regarding Food Delivery (safe handling and serving of food)**
- **Regulations regarding Vaccine Passports/Vaccination**

Example - at the time this document was printed the message was clear:

You cannot enter a restaurant or meeting space unless you can provide proof of your double vaccination.

SECTION 1: Club Dinner Meetings

1. Communications - Contact your guest speaker several days before your meeting to confirm the date, location, expected arrival time and the time the dinner is served. Also, reiterate the time allotted to their presentation including questions and answers. As well, inform them of the appropriate dress at your meetings i.e. business casual, business dress etc. and ask if they have any technical requirements, accessibility issues or any dietary restrictions.

2. Dress Code- It is expected the dress code for Dinner Meetings will portray a positive image and a favourable impression of your Club in the community (i.e. Lions regalia, business casual, business dress, etc).

3. Official Visits by District Officers - The District Officers, being the District Governor, Region Chairperson or Zone Chairperson, generally arrange an Official Visit to the Club during the year. They have a busy schedule to visit each Club in their jurisdiction and it is most appreciated for you to accommodate them to fit their schedule and offer them every courtesy. They should not be expected to pay for their meal or purchase fund raising tickets. They are to be the only guest speaker on the night of their Official Visit and it is expected they will stay for the full meeting. It is becoming common practice to present them with a cheque to the charity of their choice, which should be determined beforehand, but a memento is always appreciated. A follow up thank you is appropriate.

4. Other Guest Speakers- The invited guest speaker is to be the only speaker at the meeting. Often they have a busy schedule. The guest speaker should be put on the agenda early after the meal and offered the opportunity to leave after their presentation and before the business portion of the Meeting. They should not be expected to pay for their meal or purchase fund raising tickets and it is becoming common practice to present the guest speaker with a cheque to the charity of their choice, which should be determined beforehand.

5. Flags and Banners- the Canadian Flag must always be present at a club dinner meeting. It is always in the place of honour. When alone, it is to be at the left of the head table as viewed by the audience. Only the Canadian Flag is required but when there are three flags the Canadian Flag is in the centre. When there are two flags or more than three flags the Canadian Flag is on the left as viewed by the audience. The order of precedence is the Canadian Flag, other national flags, provincial flags, municipal flags, and Lions flag. It is also traditional to have the Club's Banner and flag set, gong and gavel at dinner meetings.

6. The Head Table - Looking towards the audience the basic rule is the President is seated to the left of the podium and the Secretary is seated to the immediate left of the President and then the Treasurer. The guest speaker is seated to the right of the President. Other head table guests would be the guest speaker introducer, seated next to the guest speaker, and one other person to the right of the introducer to balance the head table. Place cards are recommended.

7. Greeting Members and Guests - The Immediate Past President and other Past Presidents can make good greeters. In any event at least one club member is to be assigned to greet all club members (especially new members) and guests to ensure they are not left standing or sitting alone. Name tags are recommended.

8. Introductions- Usually the Head Table is introduced by the Club President who should request that applause be held until all are introduced and that those being introduced stand when their name is called and remain standing until all of the Head Table is introduced. If other guests are present at the Meeting they should also be formally introduced either by their host or by the President.

9. Anthem, Toast and Grace- Everyone rising as able, the Canadian national anthem, O Canada, is to be sung followed by a toast to Canada's head of state, Queen Elizabeth. This is to be done with the words 'a toast to the Queen' by the President and responded to by each person extending a glass with the words 'The Queen' and drinking a toast without clinking glasses. Next is the Indigenous Acknowledgement. This is to be followed by a moment of silence for departed Lions. Lions Grace or an appropriate invocation will precede the meal. The head table should be served first followed by anyone with accessibility issues.

SECTION 4: Memorial Services

When celebrating the life of service for a departed member of our Lions Family, it is especially important that we honour their memory by observing proper protocol.

Any Lion may attend such a celebration although it would be more appropriate for those who knew and worked with the deceased Lion to be in attendance. Sitting Officers, whenever possible, are encouraged to attend. Region/Zone Chairpersons should attend for members from their respective Region/Zone. The District Governor and Vice District Governors should try to attend celebrations within the District.

Arrive at least 30 minutes prior to the beginning of the service so that the officiant can outline the proper proceedings.

Past International and current District Officers should wear their official uniform. All other members of the Lions Family should be dressed in proper Lion clothing. Spouses who are not Lions should dress appropriately for the occasion. Please wear a name badge so family will know who you are.

It is not acceptable to wear campaign buttons while attending a Celebration of Life.

When addressing family members, be kind and sincere without monopolizing their time.

SECTION 5: District Convention

The District Convention has its own established Protocol under the District A-16 Convention Procedures manual (Deck Set) which is the responsibility of the District Chairperson (Immediate Past District Governor) of the Convention.
